

Benefits You Can Count On

Anthem Blue Cross and Blue Shield understand your 9-to-5 life is busy enough. With work, meetings, kid, appointments, errands, who has time to think about updating an address or checking on a claim? Now you can do all of these things at your convenience at www.anthem.com:

1. Find a doctor or hospital.
2. Order a new ID card.
3. View your benefits.
4. Check on claim status.
5. Change your address.
6. Change your primary care physician.
7. See if your medication is on the Anthem formulary.
8. Refill a mail order prescription.
9. Save money on health – related products and services with www.SpecialOffers@Anthem.com.
10. visit www.myhealth@anthem.com for personalized health content, polls, calculators and health assessments.
